1. What do the rules require? Put up general rule & order.

5 The insurance of the car is enjoined in the case of those officers who have not insured their lives in the State Life Insurance & to whom Motor car advances are sanctioned c.f. G.O. No 5967-9 dt 17.6.1914.

2. Different classes of cases require different treatment.

a) Permanent officers not insured in the State Life Insurance S

b) Officers in a temp. deputn not insured in the State Life

6 In as much as the insurance of the car till the advance is completely adjusted is insisted, Collateral security seems not necessary.

16 In the case of those officers who have insured their lives in the State Life Insurance, the insurance of the Car is not being insisted upon. (Vide col: 7 & 8 in the upper form)

As the object of forfeit is to guard against a possible loss of the amount of advance, Security in the shape of insurance either of the person in the State Life Insurance scheme or of the Car under a private Company at the owner's Cost is necessary. If Mr. S. B. Iyengar insures in the State Insurance scheme & the amount of bonus is about or more than the amount of advance asked for, the forfeit of Security would be amply safeguarded.
